

# Fall 2017 RAISING YOUR CHALLENGING CHILD

*(Pay What You Can) Parent Group Training*

**This 10-session program, developed by Dr. Dan Shapiro, is for parents of children (ages preschool through early adolescence) with challenging behaviors.**

The interactive format is designed to help parents identify the source of their child's behavior and learn what they can do about it.

At each session, Dr. Goldberg will provide proactive strategies for raising children with difficult temperaments and developmental differences. Parents will learn to customize their approach to fit their child's unique profile. Different strokes for different kids!
