

Dr. Dan Shapiro's Parent Child Journey

with Sarah Wayland, Ph.D.
Guiding Exceptional Parents

THIS 10-SESSION PROGRAM IS FOR PARENTS OF CHILDREN (AGES PRESCHOOL THROUGH EARLY ADOLESCENCE) WITH CHALLENGING BEHAVIORS.

The Parent Child Journey program is designed to help parents identify the source of their child's challenging behavior and learn what they can do about it. During each session, we will discuss proactive strategies for raising children with difficult temperaments and developmental differences. The emphasis is on customizing the strategy to fit each child's unique profile. Different children, different parents, different approaches.
