Parent Group Training: January 2019

For parents of children with challenging temperaments or developmental differences, these interactive sessions cover some of the most common and difficult issues facing parents today.

We will focus on a different topic each night. Sign up for those topics that interest you. Dr. Shapiro will present some background concepts and specific strategies. Then the group will discuss individualized approaches to implementation. Real-life challenges, real-life solutions.

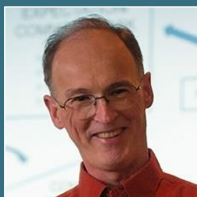

Tues., Jan 15
Helping Your Child Learn to Manage Anxiety

Thurs., Jan 24
