

RAISING YOUR CHALLENGING CHILD

(Pay What You Can) Parent Group Training

This 9-session program is for parents of children
(ages preschool through early adolescence) with challenging behaviors.

The interactive format is designed to help parents identify the source of their child's behavior and learn what they can do about it.

At each session, Dr. Shapiro will provide proactive strategies for raising children with difficult temperaments and developmental differences. Parents will learn to customize their approach to fit their child's unique profile. Different strokes for different kids!
