

Winter-Spring 2020 RAISING YOUR CHALLENGING CHILD

(Pay What You Can) Parent Group Training

This 10-session program is for parents of children
(ages preschool through middle school) with challenging behaviors.

The interactive format is designed to help parents identify the source of their child's behavior and learn what they can do about it. The group leader for this program will be Jill Jerome, LCSW-C, RPT-S. At each session, Jill will provide proactive strategies for raising children with difficult temperaments and developmental differences. Parents will learn to customize their approach to fit their child's unique profile.
